Rebuilding lives, from the inside out!

The Entire Bible in a Year

God's Word is His personal message of love to you today. A great way to grow as a Christian and get to know God in a more personal way is to spend time in His Word. Here are three ways for you to read through the Bible:

1. If you are reading the Bible for the first time: Begin by reading the Gospel of Mark or the Gospel of John in the New Testament. After reading one of these gospels, read the book of Acts or the book of Romans. After reading Acts or Romans, pick an Old Testament book like Genesis or perhaps Psalms.

2. If you want to read through the entire Bible in one year: Read three chapters each day, Monday through Saturday, and five chapters on Sunday.

3. If you want to read through the entire Bible in two years: Read two chapters each day, Sunday through Saturday.

The following chart covers every book and chapter of the Bible. To keep track of what you have read, mark off each chapter as you complete it.
